

# FIELD BOOKS

## ENGINEERS FIELD BOOKS

- High visibility yellow covers
- Constructed to withstand the most rugged handling under all climactic conditions
- Lines on opposite pages are in register and are printed with weatherproof blue and red inks
- Each book contains 80 pages and the following tables:

Formulae for solving right angles  
 Curve formulae  
 Minutes in decimals of a degree  
 Inches in decimals of a foot

The paper in these books is a fine quality 50% rag stock specially treated during the making to give "high wet strength". This quality has been used extensively for maps, etc. It retains its strength and writing surface when dried after having been subjected to extreme weather conditions.
